

Cheques

A cheque is a written order that is tied to your chequing account.

Cheques have many security features, as we discussed in our fraud/phishing/scams unit.

Writing a Cheque Practice Booklet
(to be corrected together, not handed in)

Cheques are not the only thing that use money from your chequing account.

Debit Cards also use money from your chequing account.

Credit Cards and Prepaid Cards are other types of payment cards. There are advantages and disadvantages to each.
